CAMPERSHIPS

Identify scouts who may need financial assistance for their summer camp experience and try to help them find a way to earn their way to camp. Excellent sources of funds for Scouts needing assistance are the annual Popcorn Sale and Camp Card Sale. Unit fundraisers can also be used to earn funds for summer camp use. A limited number of camperships are available for Lincoln Heritage Council Scouts only. Complete a campership application at www.pfefferscoutreservation.org or at the Council office for each scout who needs assistance and return them to the Council office. Camperships are limited to those Scouts whose families' financial situation qualifies for assistance. The form will need to be filled out completely. Campership applications are due with early registration payments on Friday, March 4. However, those who apply early are more likely to receive assistance as camperships are first-come, first-served. <u>The campership application does not take the place of the early registration payment. It should accompany the payment.</u> Payment must be made to qualify for the early discount.

*Note: Camperships will not be credited toward total paid until the campership survey is returned. All surveys are to be submitted no later than Monday, May 2, 2022.

CAMPSITE RESERVATION POLICY

- Each campsite has a maximum capacity. The camp must work to stay within this capacity.
- With a $100 deposit, troops may request their choice of available campsites. It cannot be guaranteed ***<u>nor can a specific part of a campsite.</u>***
- A new deposit will be made each year and the deposit will be applied to your final balance for that year.
- <u>Adjustments may be made to a unit's campsite based on the number of Scouts and adults attending and the number of units attending camp that week.</u> Units may be asked to share a site with one or more troops depending on the size of the troop and the maximum number of campers allowed in the site. Likewise, units that bring more Scouts than the maximum number of campers allowed in a site may also be moved to a different campsite. Staff will work to accommodate each unit as much as possible.
- **The Camp Director reserves the right to *move a troop to a different campsite*. The Summer Camp Contact listed for the troop will be notified as soon as possible of any changes.**
- Units attending camp in 2022 will be given first choice in making site reservations for 2023. For your convenience, we will accept deposits for 2023 while you are at camp. After the week of camp that you attend is complete, all sites not requested are open to any new request on a first-come, first-served basis. **This site deposit is <u>NOT</u> refundable. It does apply to the final balance for camp.**

REFUND POLICY

Fees are transferable to a new registered Scout but non-refundable except for the following reasons: *serious illness, transfer or summer school*. **All refund requests must be made using the Camp Refund Request Form which can be found online, at the Council office or at the camp office within two weeks of your troop attending camp.** All refunds are processed at the Council office. **<u>A $75 fee will be retained on all refunds.</u> NO REFUND IS GUARANTEED.** Please do not overpay fees. If you are not sure of the amount owed, please call the Council office.

FINAL PREPARATIONS

Ensure that all fees have been submitted to the council office no later than **Monday, May 2, 2022** to earn maximum discounts. Plan at least two troop meetings prior to attending camp to go over all the materials for camp with your Scouts. Discuss the merit badges they will be working on, the equipment they need, what not to bring to camp and be sure that all youth and adults have a current physical. **Finalized merit badge selections should be submitted online by your unit no later than Friday, May 27. Tents and Cots are not provided. All youth and adults should be registered in the event registration tab of Tentaroo.**

GENERAL CLEANLINESS

The Commissioner's Staff will be doing three campsite inspections per week to ensure that the general cleanliness and safety of the site is upheld. A sign up page is in the Admin for shower house cleaning.

CAMP PROMOTION NIGHT

Troops should plan a night to promote camp to all Scouts new and old. A Parent's Guide has been developed to share with all Scout families to help answer questions about camp. Contact the council office at (502) 361-2624 to schedule a camp promotion presentation.

SCOUTMASTER'S LOUNGE

The Scoutmaster's Lounge is located in the Administration building and is for adult leaders only. Coffee and WiFi will be available.

AQUATIC PROCEDURES

Conducting a Unit Swim Classification before camp is strongly encouraged. It must be done by a lifeguard (American Red Cross, YMCA, or BSA Lifeguard). This must be completed within 6 months before arriving at camp. The Unit Swim Classification form can be found on our website. The Aquatics Director reserves the right to retest anyone, youth or adult, if they deem it necessary. Closed-toe shoes must be worn at ALL TIMES at the Aquatics area. If your Scout has signed up for an aquatics merit badge, they are required to bring a pair of shoes that can get wet or bring closed-toe water shoes. Do not let Scouts wear their wet boating shoes around camp, this causes blisters! The Aquatics Director is in charge at all times in the Aquatics Area. Please direct all questions regarding this area to them. They reserve the right to not allow participants to swim based upon ability or conduct.

TROOP FLAG

Troops are asked to bring their troop flag, if they have one, to display in our assembly area. Flagpole assignments are based by campsite number and is part of the camp tour on Sunday.

CHECK-OUT POLICY

All units must check out at the Administration building when leaving camp. We cannot guarantee that you will receive patches, Scoutmaster items, or the return of Health forms, if your unit does not check-out. Scouts leaving camp early with a parent or guardian must fill out an Early Release Form at the Administration building before leaving camp.

DAILY SCHEDULE

Scouts should plan to carry the items they will need all morning and all afternoon since there is little time to go back and forth to their campsites.

ADVANCEMENT OPPORTUNITIES

Advancement is one of the prime reasons a youth stays in Scouting. It is a measure of success in the program. The following should help you and your Scouts develop appropriate merit-badge schedules.

1. Before camp, know the advancement status of each Scout.
2. Set a goal with each scout - challenge them.
3. Let more advanced Scouts help younger Scouts.
4. Keep accurate day-to-day advancement records while at camp.
5. Watch loose ends - don't push, but do encourage them.
6. Each Scout is expected to bring the merit-badge pamphlet to each merit badge session each day.

Merit badge schedules will be available on Tentaroo on Friday, March 5. Sessions will be assigned on a first come, first served basis. To ensure easy registration, have your roster loaded in the roster tab ahead of time. Adults will also need to be added to the roster and to the events registration tab to be included in camp numbers and the t-shirt orders. The Tentaroo system produces the merit badge blue cards at the end of session, by printable cards, or a requirements completed report. **Only those units that require blue cards will need to supply them.** Merit badge "tracking" sheets will be updated daily so Scout leaders may review Scout's progress throughout the week. Any discrepancies should be discussed with the Camp Director at camp.

AQUATICS

The waterfront area on Kentucky Lake is very active with merit badges such as Eagle required Swimming and Lifesaving as well as Canoeing, Small Boat Sailing, Rowing, Kayaking, Motorboating, Water Sports and the Personal Watercraft (P.W.C.) program. The BSA Lifeguard program is also offered. Open programing is available every afternoon so Scouts can come out and cool off at the beach, try to conquer the "Rocket" aquatics play structure or take a canoe or sailboat out on the water with a friend.

Attire: Clothing worn by participants must not promote illegal drugs, alcohol, violence, sexual activity, racism, sexism or bigotry. Swimsuits must be modest. For males, tight fitting swim briefs or swim bottoms short enough to allow exposure are not allowed. For females, bikinis are not allowed while modest tankinis or one-piece suits are appropriate.

ECOLOGY

This is one of the busiest program areas at camp. The Ecology and Conservation area offers a number of great badges that help prepare Scouts for time in nature. These badges include Environmental Science, Fish and Wildlife Management, Insect Study, Nature, Reptile Study, Weather, Soil and Water Conservation, and more.

HANDICRAFT

This area keeps many young Scouts involved in the program. Merit Badges such as Leatherwork, Woodcarving and Basketry are taught here as well as Art, Fingerprinting and Photography. Scouts will need to bring a digital camera.
First Year Scouts can make something to take home and remind them of their experience at Pfeffer Scout Reservation.

PERSONAL DEVELOPMENT/STEM

The Personal Development department offers a number of Eagle required merit badges and is very popular. Offerings include Citizenship in the Nation, Citizenship in the World and Communications. All of these badges require work in advance of camp or after camp to complete. The STEM program has Astronomy, Space Exploration and Robotics.

OUTDOOR SKILLS & EAGLEBOUND

This area offers a number of the traditional Scouting merit badges such as Camping, Orienteering, Wilderness Survival, Fishing and Pioneering. Emergency Preparedness and First Aid are both taught in this area as well. Totin' Chip and the Paul Bunyon Award can be earned in this area.

The Eaglebound first-year camper program is also offered in this area and helps teach new boys basic Scout skills. Many Tenderfoot, Second Class and First Class requirements are taught here.

SHOOTING SPORTS

The Shooting Sports area is visited by many Scouts and Leaders during the week. This area includes the rifle range, shotgun range andarchery range. Scouts can work on Merit Badges such as Rifle Shooting, Shotgun Shooting, and Archery. The ranges are open each afternoon for practice shooting or just for fun.

C.O.P.E.

C.O.P.E. (Challenging Outdoor Personal Experience) is a fun way to build and develop teamwork, leadership, communication, and many other skills. Scouts will work together to solve problems presented in initiative activities and team course elements. Our C.O.P.E. course consists of Low C.O.P.E. elements. Scouts should plan to spend two sessions in the morning or afternoon on the course. Space is limited and will be filled on a first-come, first-served basis.

PERSONAL WATERCRAFT (P.W.C.)

Rev up your summer by signing up to participate in one of the Personal Watercraft (P.W.C.) classes. This summer, Pfeffer Scout Reservation will be one of the few select camps in the country to offer the Personal Watercraft Program to Scouts during Boy Scout Summer Camp.

Each week, Scouts will have the opportunity to learn P.W.C. skills and apply their learning to the safe operation of the P.W.C. on Kentucky Lake. Scouts will also learn stewardship to the marine environment and navigational "rules of the water."

To be eligible to participate in the P.W.C. Pilot Program Scouts must:
- Be at least 16 years old.

- Have a photo ID with name, date of birth, & home address.

EAGLE BOUND - FIRST-YEAR CAMPER PROGRAM

Pfeffer Scout Reservation is home to the Eagle Bound First-Year Camper program and takes pride in offering a great program for your Scouts. The Eagle Bound Program is divided into two separate sessions; Scouts should only attend one session but will spend Monday - Friday in the program. This allows for time to pursue additional opportunities at camp.

1) Morning session: 8:30AM – 11:20AM OR
2) Afternoon session: 1:30PM – 4:20PM

Participants are grouped based on rank and skill level. Unlike merit badges, it is impossible to come to camp and, in a week, complete all of the requirements for Tenderfoot, First Class, and Second Class. Eagle Bound Staff will do everything in their power to help each Scout become proficient in as many areas as possible. How much each Scout completes is up to them and their patrol. All Scouts that are in the Eagle Bound program are welcome to participate in the 5 mile hike and the flag retirement ceremony. While this is a First-Year Camper program, we encourage Scouts that are 13 and older to take Merit Badge Sessions. If an older first year camper wants to take the Eagle Bound program, please talk to the Program Director. **It is recommended that Scouts take First Aid and Swimming Merit Badges in order to meet many more requirements.**

Leaders should review with their Scouts and check off those requirements completed.

CAMP STAFF

ORGANIZATION

For a few weeks of the year, staff members call Pfeffer Scout Reservation "home" and dedicate themselves to providing an excellent camping experience to every Scout. We hire only high-quality staff members who have a strong interest in making a positive impact on our Scouts.

The camp staff is there to lead merit badges and activities for the Scouts. And to make sure your expectations are met and exceeded, and to generally help campers however they can. If you have any questions or issues, please feel free to ask a staff member for help.

Each program area is managed by an Area Director (AD) who plans and creates the program and supervises the area staff to run the program. Your Program Director works to make sure that each area is successful in providing a quality program and will also lead exciting programs when the entire camp is together.

Your Camp Director is there to make sure that every operation of camp is as successful as possible, including managing the staff, meeting food needs, ensuring safety in camp, and working with the adult leaders toward a quality experience.

A Note from the Camp Director: I am very excited to welcome you to Pfeffer Scout Reservation for our 2022 summer camp season. We have added many new merit badges to our course offerings. Some merit badges are returning to our course list such as Chemistry, Aviation, Photography, Painting, and Traffic Safety, Search & Rescue, Signs, Signals & Codes, Game Design, Sustainability and others. We have expanded availability of classes.
