

# Summer STEAM Camp

Lincoln Heritage Council

July 16-20

## What's Happening at STEAM Camp?

July 16

### Rockets & Robots

Grab your space gear! We'll become astronauts and engineers to explore the Galaxy with the help of robots, and experience our very own rocket launch at camp!

July 17

### Dinosaurs, Mutants, & Maneaters

Megalodons, Velociraptors, Two-Headed Snakes, and Great White Sharks! Take a look around our exciting planet. We'll be looking at how mutations can change a species, looking for extinct animals, and learning about the largest, speediest, and the freakiest animals on the planet!

July 18

### Bang, Boom, Splash, Frame!

Frame your science in this action-packed day of STEAM Camp! Young scientists will see how science and art can come together to create colorful fireworks, kaleidoscopes, music, and even how science plays into the big screen!

July 19

### Crime Fighting Chemistry

DNA, fingerprints, and crime solving, oh my! See how police, FBI, CIA, and emergency responders use science to check for evidence, find missing people, and bring justice to our communities! Be sure to bring your thinking cap, this day is for solving mysteries!

July 20

### Slimy, Goopy, Delicious Science

Prepare to get messy! Scouts coming to camp on this day will get to experience the slimy, the goopy, the tasty, and the just plain weird world we live in!
