Arrival & Check-In

Vikings and their elders may start arriving Friday, October 16 after 6:00 PM. Plan to check-in at the Administration Building upon arrival with a final count of the number in each crew.

Meals

On Friday, Cracker Barrel will be provided at 9 PM in the New Sailing Pavilion. Bring your own chair.

A FEAST will be provided Saturday evening in the dining hall at 6 PM (please advise event staff of food allergies BEFORE ARRIVAL). **Each crew will be responsible for providing 2 vikings to help with post-feast clean up.**

Units/individuals will be responsible for all other meals for the balance of the event.

Activities

The Viking Roll is a series of contests that will test your crew's Scoutcraft ability in the Nordic tradition. Details will be revealed in the upcoming activity guide (to be released in mid-September).

Challenges include: Catapult firing, inferno design 101, common triage, object crushing, and more.

Campfire Program

The day's events will be capped with the Campfire Program in the amphitheater at 8:30 PM. Crews will be rewarded for mastering tasks at the Campfire Program. The finest crews will receive plunder to display in their Hall of Honor.

Uniforms

We ask that all Scouts be in Field (class-A) Uniform for dinner and Campfire Program. Scouts are free to wear whatever their unit has approved as an Activity Uniform throughout the remainder of the weekend. The Council Elders have decreed that PROPER VIKING ATTIRE will substitute for Scout uniform (and may garnish accolades during the day's challenges). Beards are encouraged!

What to Bring

Each crew of intrepid vikings will need a single-wheel garden style wheelbarrow to haul their provisions between challenges. The wheelbarrow will be needed to progress through the day's trials.

It should be understood, wheelbarrows are typically adorned with clan markings and an appropriate patrol flag of distinction.

The complete packing list can be found on page 4

Medical

Units are responsible for administering their own medical aid and attention to Scouts just as they would on a unit campout. Units are responsible for assuring/handling all medical forms (A and B). In case of emergency notify the Camp Ranger and/or Campmaster on site.

If anyone in your crew has medical limitations/food allergies that could affect their ability to camp and participate in the activities, please contact the event organizers ASAP.
