

WHAT YOU NEED TO KNOW ABOUT PATRIOT GAMES:

*Pack just what you need, only one the gear vehicle will go to the camp site (one pass for every 20 campers) so pack light or give your gear to the gear vehicle person.

*Fees- to be paid to the pack:

Camper Fee prior to 10/5/18	\$10.00
Camper fee after 10/5/18	\$15.00
Day Visitor fee prior to 10/5/18	\$8.00
Day Visitor fee after 10/5/18	\$10.00

**All personnel are required to be vetted and issued a pass, unless they have a DoD Identification card or are 17 and under. Those personnel under the age of 18 and who will be driving must be vetted. All personnel that are 18 and older and do not have a DoD identification card must go to the Visitor Center for vetting. For those personnel that live outside of the commuting area and are not able to go to the Fort Knox Visitor Center we can Pre-Vet them to determine if access would be granted. It does not eliminate the requirement to stop at the Visitor Center to be registered for access to the post.*

EVERYONE over the age 18 must be go through the vetting process and under 18 if you are driving on to Fort Knox.

Only participants with wrist bands will be able to take part in the adventure areas.

Chaffee gate will be the only gate open this year, we do not have access to the Patton Museum lot off 31 W. Everyone has to come on base through the main Chaffee gate.

We have paint ball and shotgun at this event and a waiver is required.

Just a few of the activities you will see: BB, Archery, Rock wall, bounce house, World War 2 vehicles, a STEM area, Knots, Military vehicles.
