

**LINCOLN HERITAGE COUNCIL - BSA**  
**INTRODUCTION TO OUTDOOR LEADER SKILLS**

Dear Fellow Scouters:

**The Lincoln Heritage Council Training Team invites you to participate in Introduction to Outdoor Leader Skills Training.** At this training, you will be immersed in the Scouting Method – “The Patrol Method” – as we learn about the Troop organization and the outdoor program. If you are an “Ole Scout,” we will bring you up-to-date on the current program elements and materials. If you are new to Scouting, we will have you up-to-speed and ready to guide your Scouting Unit to its full potential.

To be more prepared for our training, please complete the prerequisites for this course -- Youth Protection Training, Fast Start Training and “This is Scouting” -- available online at [www.myscouting.org](http://www.myscouting.org). **Also, bring a copy of the Annual Health and Medical Record Form with Parts A & B filled out completely (Part C (Physical) not required for this training).** This form can be obtained through [www.lhbsa.org](http://www.lhbsa.org), [www.scouting.org](http://www.scouting.org), or by visiting the Sam Swope Scout Service Center.

Instructors will help you learn how to set up camp, cook, work with wood tools and ropes, first aid, map reading and compass skills, hiking and packing techniques, nature identification, and Leave No Trace. Each outdoor session will bring to life the pages of the Boy Scout Handbook to help you deliver the promise of Scouting to yourself and the youth you serve.

We will be camping as a Troop – BY PATROLS. Come prepared for the weather!! Check your (or your Scout’s) Scout Handbook, chapter nine (camping), for a Personal Overnight Camping Gear equipment checklist. Notebook and pencil will be an “essential” for this campout, not a “personal extra.” Bring the Handbook along with you. You will be “earning” most of the basic outdoor Scouting skills as part of our program. You will also want your own tent (borrowing one is fine). If you have a gas camp stove and lantern, consider bringing it along. Each Patrol will want one available for the weekend, but you will not know your Patrol assignment until you arrive. We will provide a Patrol cook kit and clean up kit. You need to have your own cup, plate and utensils.

**REGISTER NOW – SPACE IS LIMITED – REGISTRATION DEADLINE WILL BE 3 BUSINESS DAYS PRIOR TO TRAINING.**

Check in for the training is from 6-6:30 pm on Friday and we plan to finish by 8:00 pm on Saturday. Once registered, you will receive any updates to schedule or changes concerning the course as it approaches, so make sure you provide your email.

Yours in Scouting,  
Lincoln Heritage Council Training Team
