Who: All Volunteers serving on District and Council Training Teams, Pack Trainers and those interested in being a trainer are invited to attend this 8-hour workshop to learn the most current /effective training techniques. This course is also open to youth age 14 or above. All adult/youth staff on Wood Badge and NYLT are required to have completed this course prior to the start of the course.

Our job as trainers is not to hold training courses. It is instead to train volunteers. Scouts with trained leaders stay in Scouting longer, have a better planned and better executed program and therefore learn and do more. This workshop will help all trainers develop the skills needed to make sure that the material they are teaching is learned and put to use.
