Activities

STEM Activities focus for Saturday with the Louisville Astronomical Society (LAS). For Cub Scouts they will be teaching Astronomy Science Tract and for Boy Scouts the Astronomy Merit Badge.

When not with the LAS, Cub Scouts will be able to design and build a rain gutter regatta boat. And of course, that also means race them. Who knew a rain gutter regatta was a STEM activity.

When not with the LAS, Boy Scouts will have the opportunity to work on STEM related merit badges. Being considered are engineering, space exploration, and nuclear science. We are still recruiting counselors before finalizing this list. Would you be willing to teach a STEM related merit badge?

That night there will be a Star party. Planet visibility given no cloud cover will be average for Uranus, good for Jupiter, and perfect for Saturn (meaning you will be able to see the rings and moons).

Sunday will be focused on typical summer camp activities. All ranges (archery, rifle, shotgun, and BB) will be open as well as waterfront including the sailboats, canoes, and kayaks.

Monday morning to help pass the time, we will shoot off Estes rockets, 1 per participant included with your registration

Fishing

FISHING will be permitted as an open activity at camp. Please provide your own rod and reel, bait, tackle, equipment. NO fishing is allowed on the docks to keep those areas free of hooks, hazards, etc...

Adults will be required to have a license which can be obtained at local Wal-marts or bait shops.

A derby will be conducted beginning Saturday at 6:00 AM with deadline for entries Sunday 7:00 PM

Movie Night(s)

Join us for a movie that is filled with excitement and fun for all. Movie to be announced at the Leaders meeting on Friday.

Campfire Program

A Campfire Program will be held Sunday evening in the amphitheater with the time being announced at the event. Each unit will be asked to participate by contributing a skit or songs.

Sundaes on Sunday

After the campfire program on Sunday stop by the dining hall for Sundaes.

Dutch Oven Cook-Off

Win the Golden Spatula Award!

Leaders will sign up on Friday at Leaders meeting to participate. Units can make an entrée or dessert. Each unit can enter 1 of each for youth and 1 of each for adult. You will be judged on taste and overall appearance of the dish.

Meals

There are two options for meals:

1. Be self-sufficient. For a Boy scout troop this may be a good option to get some of the many, many cooking requirements in*
2. We will have food service available from the dining hall Saturday morning through Monday lunch. See fees page for the additional cost. This may be a good option for cub scout packs that are not ready to jump into camp cooking yet or troops that are traveling a long distance and cannot bring their own food.

*As a reminder to get to Eagle Rank a scout must fulfill cooking requirements for (1) Tenderfoot – assist, (2) Second Class – a meal, (3) First Class – day of meals, (4) Camping MB – day of meals, (5) Cooking MB – day of front country meals, and (6) Cooking MB – day of back country meals. Here there are 2 or 3 days' worth of meals available.

Fees / Refund Policy:

NO REFUNDS will be provided due to weather or visibility in viewing the eclipse.

Unit Preparation for Camp

If your unit follows the steps listed below, the process of preparing everyone for an enjoyable experience at Pfeffer Scout Reservation should go smoothly.

Upon Receiving the Leaders Guide:

- Inform or remind all Scouts and parents of the Camp Dates.
- Recruit two or more adult leaders to spend the weekend with your unit.
- Note payment dates to ensure your troop gets the early bird discounts.
- Make arrangements for physicals to be done if they are not current.

Finalizing plans for the outing:

- Give final notice to all boys and parents about plans for attending camp.
- See that all Scouts and Adults have a current medical form.
- Arrange for your transportation to and from camp.
- Insure all your Scouts families have the information on the weekend.
- Register online at www.lhcbsa.org or send registration form and fees to the Scout Service Center.

One week before Camp:

- Review Schedule with your Scouts and families.
- Double check medical and health history.
- Prepare the unit/patrol equipment to bring to camp.
- Inspect each Scouts personal gear.
- Finalize Transportation arrangements to and from camp.

Arrival and Check-In:

- You can start arriving Friday, Aug. 18, 2017 after 5:00 PM
- Plan on already having eaten dinner upon arrival (even if you ordered the meal plan) or have plans on preparing your own supper
- Please check-in at the Administration Building upon arrival with the count planned attendees from each unit

The Camp Policies and Procedures:

Anyone participating in this event will be expected to follow BSA National Guidelines as outlined in the Guide to Safe Scouting.

The Law is the Rule: Everyone is expected to abide by the Scout Law, Motto and Oath.

Buddy System: Everyone will use the Buddy System. Pairs for Safety. Adults/ Leaders should be notified before Scouts leave their campsites.

Camp Security: All visitors to the camp must stop at the camp office and sign in. A sign-in book for this will be maintained and positive identification is required. A visitor name tag will be given. Upon conclusion of their visit, guest will sign out so that camp administration will know who is on camp property at all times.

Alcoholic Beverages: This will not be tolerated and is against BSA policy. Possession or use will result in immediate dismissal from camp.

Smoking: BSA guidelines require a smoke-free environment for our scouts. If you must smoke, please do so out of sight of youth participants and not inside any buildings. Please “field dress” your butts and dispose of them properly remembering the ever present danger of forest fires.

Vehicles: The health and safety committee along with the camping committee has established a written policy and procedure of vehicles in camp.

- NO vehicles will be allowed to remain in campsites without pre-approval from camp administration.
- Weather permitting, trailers will be allowed in campsites. However, vehicles used to pull trailers need to be moved back to designated parking lots.
- 3 MPH (Walking speed) speed limit.
- One person per seatbelt and they must be worn. No riding in truck beds. No RV's, ATV's, golf carts or generators. Only Staff carts are permitted.

Parking: Park in designated parking areas only. Unit leaders need to help enforce this policy. We need to help preserve Camp.

Camp: Follow BSA guidelines for camping.

- Walk, do not run, within your campsite.
- Remember tent stakes and tie downs.
- Closed toed shoes must be worn at all times.
- Fish may be taken with a hook and line only.
- Do not ditch or trench your tent.
- Leave no Trace.
- Trash your trash. It should be removed from all campsites.
- No pets or bikes.

Uniforms: Field uniform also known as a “Class A” uniform should be worn at opening and closing ceremonies (as well as other free time programs / Vespers and / or Flag Retirement). Activity uniform also known as a “Class B” (Scouting appropriate) t-shirts are permitted during all other event activities

Stoves and Lanterns: Follow BSA regulations according to fuels. Keep open flames out of and away from tents.

Campsites: Do not cut trees. Bring your own firewood, charcoal or collect dead wood from the downed trees. No pit/trench fires use fire rings provided. Never leave a campfire unattended, especially when going to bed. *All campfires should be extinguished according to BSA guidelines.* Please make sure before leaving that your campsite is completely cleaned up and all campfires are completely extinguished.

Knives, Hatchets, Axes, Chainsaws or Firearms: No firearms are permitted at Camp. No chainsaws are permitted. No fixed blade, sheath or survival knives are permitted. Folding or pocket knives are permitted by those Scouts that have earned their Whittlin’ Chip or Totum Chip. Axes and Bow Saws are only permitted in axe yards of Boy Scout Troops / Venture Crews.

Rocks and Sticks: Although tempting, rocks must not be thrown or kicked and sticks may not be swung. Injury/damage to property usually results from this action. Such actions will result in your being asked to leave the campout immediately.

First Aid: The Health officer will be in the administration building during the activity. Medical Emergencies should be directed through them. Minor first aid should be handled at the campsite if you have supplies.

Trash: Your trash must be taken to a dumpster. No trash should remain in campsites over night; there are skunks and raccoons that will visit your unit if this is not done.

Cleanup: When your unit is ready to leave camp we ask that you please clean up your area and leave it the same or better than you found it. Please take everything with you. Trash can be dropped in the dumpster as you leave camp.

Bathrooms & Bathing

There are two bath houses in camp, each with 6 private shower stalls and 6 private uni-sex bathrooms (all with locking doors!), as well as dedicated male and female bathrooms by the Trading Post. We ask that you be considerate others while utilizing these new accommodations.

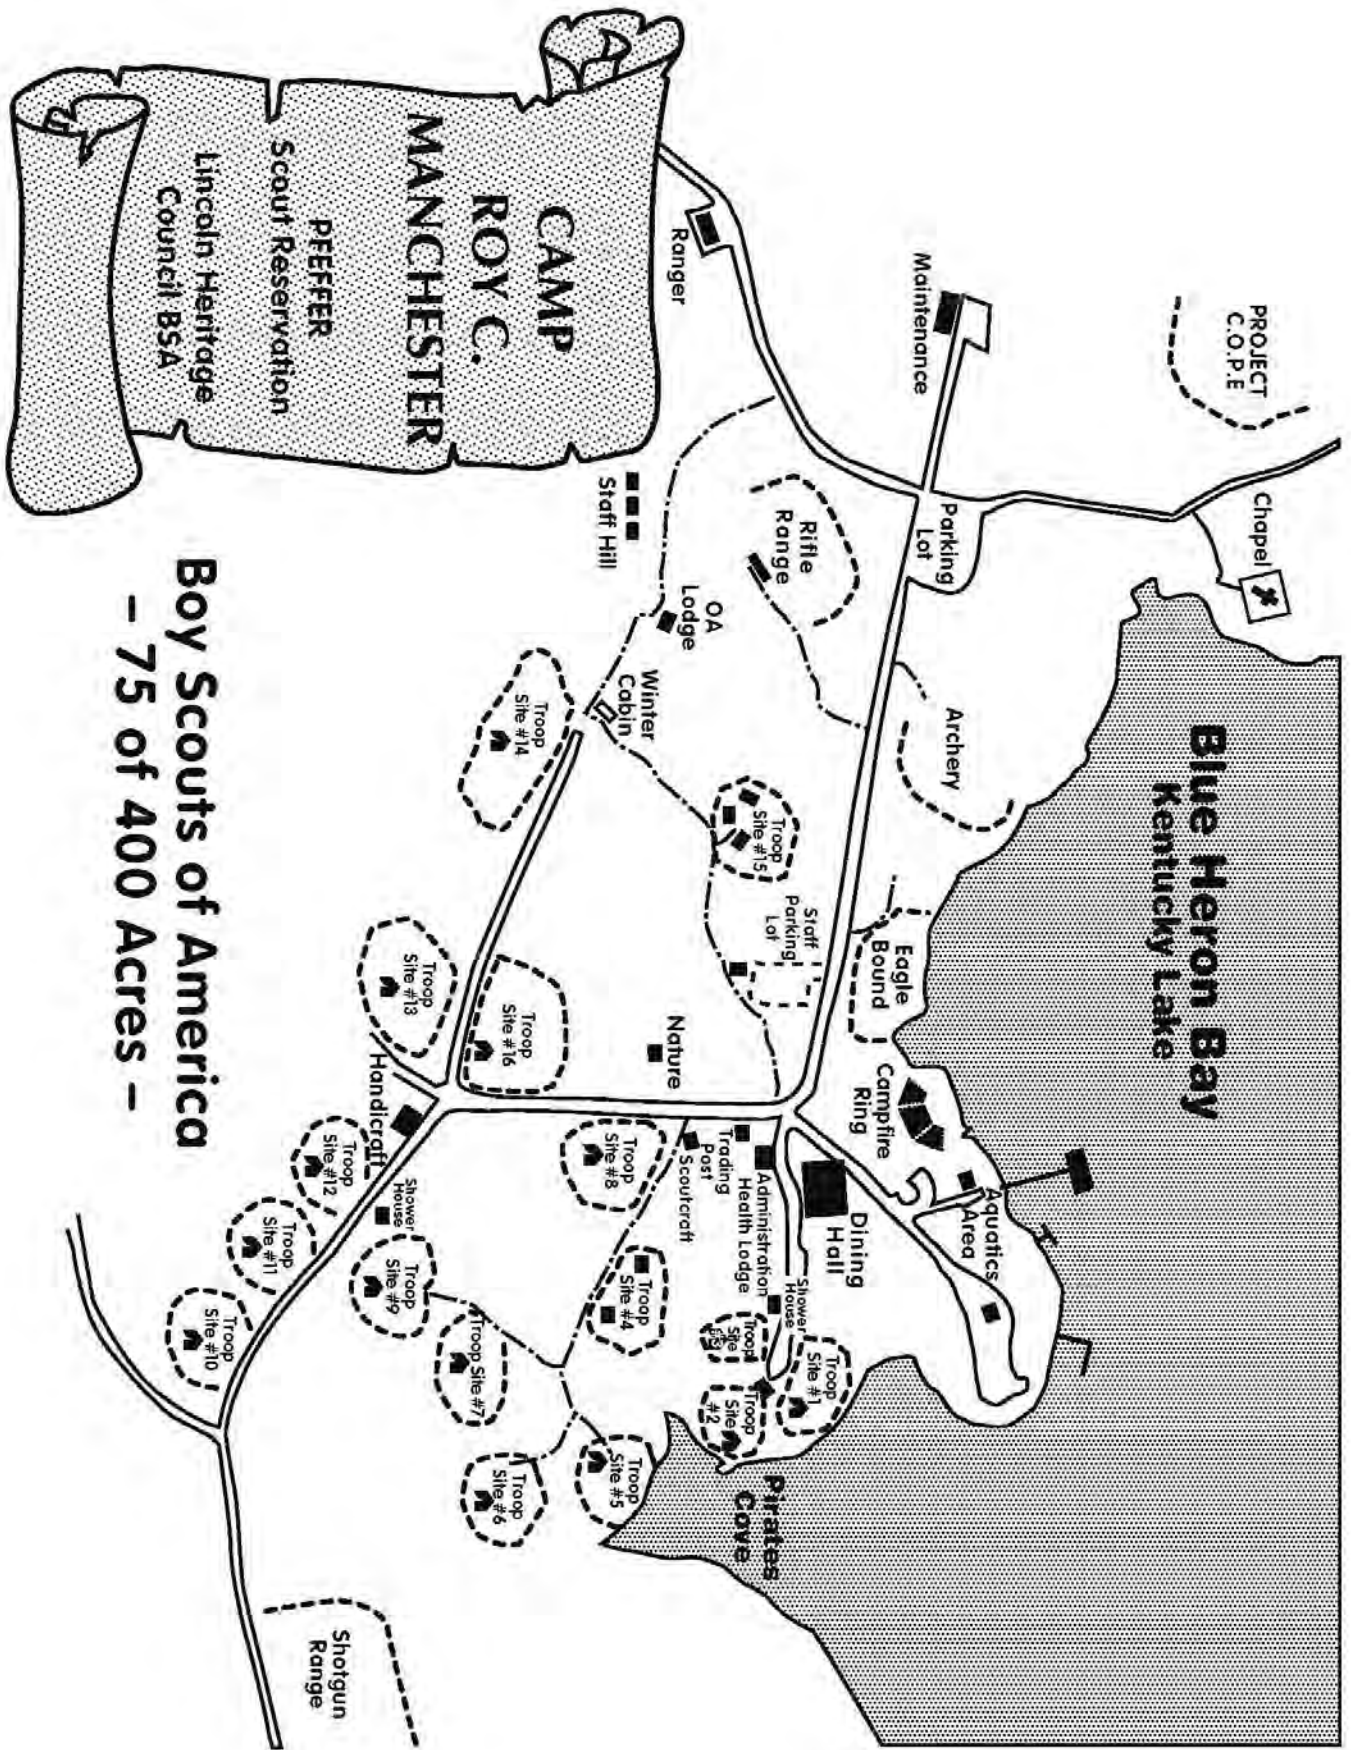

Camp Emergencies: With the exception of the weather emergency, all campers are to report immediately to their campsites upon hearing an emergency signal. In the case of a weather emergency, campers should seek protective shelter. Once the weather emergency has passed, campers should report to their campsites. Campers should remain in the campsites until the “All Clear” signal has been given. Leader should review these procedures with their campers.

The following emergency signals will be used:

Fire Alarm: Sound the siren (two long blasts).

Weather Emergency: Sound the siren (one long blast).

All Clear: Sound the siren (four long blasts).
