

## Our Cub Scout Pack has had our School Night and Parent Orientation meeting

- Analyze the success of your Pack's school night results. We are encouraging every Pack to strive to earn GOLD status on the Journey to Excellence. This would be a 10% increase over last year's membership. Your District Executive can assist in providing you these numbers.
- Determine and strategize best ways to continue recruiting. A strong follow-up effort such as Church/Chartered Organization Recruiting, "Bring a Buddy" night – with incentives, etc. Your Scouting District can help you support and plan for one of these.
- Determine any additional leadership needs and/or concerns. Please work with your Chartered Organization, Commissioner, and District Executive to assist in working out any difficulties.
- Submit any additional youth and/or adult applications to the Scout Office immediately for processing.
- Continue, track, and have new leaders complete required Youth Protection and Job Specific Training online and promote additional Training opportunities for leaders.
- Make sure all Cub Scout Dens are meeting and meetings are well planned and FUN!
- Have all of your new Cub Scouts earn their Bobcat Badge within 30 days and present to them at an awards ceremony! This is a critical step in building better retention!
