HOW IT WORKS

Kickin’ Quarantine is our way of providing a classic Scouting camp-out experience for you, your family, and Scouting units safely this summer. Families & units will be allowed to camp together at a safe distance from other families at Camp Crooked Creek, Tunnel Mill Scout Reservation, or Pfeffer Scout Reservation. Stay overnight or visit camp just for the day.

This camp will be self-reliant in style, meaning bring your own tent, camping gear, food, etc. similar to camping at a state park. Tent camping and Adirondack camping are available.

There are also single day experiences without staying overnight, our Day Pass.

There should be minimal to no interaction with other families and units during your stay, keeping you as safe as possible.

Please note that no camp stay can be longer than 72 hours.

WHAT’S INCLUDED

You bring the family and supplies; we’ll provide the fun:

- Camping space (one family/unit per site)
- Picnic table (at campsites)
- Latrine and water source designated for only your family/unit (for overnight guests)
- Shower facilities (for overnight guests)
- Activity guide
- Contactless check-in/check-out
- See page 9 for a packing list

Camp Policies

**Cleanup:** Practice Leave No Trace as best as you can. When ready to leave camp, we ask that you please clean up your area and leave it the same or better than you found it. Please take everything with you. Trash can be dropped in the dumpster as you leave camp.

**First Aid:** There will NOT be a Health officer on site. Medical Emergencies should be reported to the campmaster or camp ranger if possible. Phone service is limited in camp and may require someone to travel up the road to call 911. Minor first aid should be handled at the campsite so bring a first aid kit.

**Knives, Hatchets, Axes, Chainsaws or Firearms:** No firearms are permitted at Camp. No chainsaws are permitted. Axes and Bow Saws should only be used under strict adult supervision.

**Parking:** Park in designated parking areas only. Unit leaders need to help enforce this policy. We need to help preserve Camp.

**Pets:** No pets will be allowed with unit camping trips. However, individual families are welcome to bring pets if well maintained and kept on a leash during the visit.

**Smoking:** BSA guidelines request a smoke-free environment. If you must smoke, please do so out of sight of youth participants and away from any buildings.

**Stoves and Lanterns:** Follow safe practices regarding fuel, no liquid fuels such as white gas allowed. Propane use or charcoal cooking only. Keep open flames out of and away from tents.

**Trash:** Your trash must be taken to a dumpster. No trash should remain in campsites over night; there are skunks and raccoons that will visit your site if food or trash is left out.

**Vehicles:** Safe vehicle use in camp is important due to the number of people on site. Vehicles should remain in campsites once parked and not driven around the camp. A speed limit of 15 MPH (or slower). No riding in truck beds. No RV’s, ATV’s, or golf carts.
