Course Catalog

The University of Scouting

The success of Scouting in the Lincoln Heritage Council has for over 100 years depended entirely on the quality and strength of the volunteers that deliver meaningful weekly programs to its 20,000 Scouts. The ability of volunteers to deliver that weekly program is strengthened by the quality of their training.

This year, the University of Scouting is a virtual training event that offers a wide spectrum of workshops that will strengthen each volunteer's ability to deliver better Scouting programs for our youth. Courses are designed for all levels of scouting involvement: Cub Scouts, Scouts BSA, Venturing, Youth, and more.

Unlike University of Scouting in previous years, there is no set schedule. Since you are not bound by a time limit this year, we are opening all courses up to everyone. The Google Drive and class videos will be available for a month. Start early and you can watch as many as you would like. Please don't feel that you are locked into Cub Scouts, Scouts BSA, Venturing, Youth Academy, etc. We encourage you to take all the classes!

SCHEDULE FOR THE DAY

When you wake up..... put on a pot of coffee, you know you need it!

Please take as many classes as you like and when you like. They will be open from February 20-April 1, 2021

Types of Courses Offered

Supplemental Courses / Electives: These courses go above and beyond what the BSA Basic Training courses cover. These courses focus on a single topic and typically last one session only.

Midway: Each year we have vendors that are Scout friendly for you to visit. This year, we wanted to be able to support our vendors because they have supported us for so many years. Please check out the Midway folder on the Google Drive for information.

Fees

Participant Fee\$10

The fees are the same for everyone this year, because you have access to all the classes. Please encourage all the adults in your unit to sign up. Registration will be open until April 1! If you are in a Troop or Crew, your youth are also encouraged to register and take classes.

Refund Policy

A full fee refund will be made to an individual or group that cancels program attendance / registration, less a 15% administrative charge as long as a written request is made at least 30 days prior to a council or district program/activity. No refunds will be given to an individual or group that cancels program attendance/registration within 30 days of a scheduled council or district program/activity. Exceptions for medical situations or family emergencies can be made but must be submitted in writing within 7 days after the program/activity.
