IMPORTANT INFORMATION 2022 RECHARTER

Youth Protection Training is Required for Registered Leaders

The official Youth Protection policy of the Boy Scouts of America states:

“Youth Protection training is required for all BSA registered volunteers. Youth Protection training must be taken every two years. If a volunteer does not meet the BSA’s Youth Protection training requirement at the time of recharter, the volunteer will not be reregistered.”

No registered adult will be renewed as part of the 2022 recharter process if they have not taken Youth Protection Training.

Youth Protection Training is critical in the Boy Scouts of America. It serves as the front-line defense against verbal, physical, and emotional abuse in our organization. It also serves as an educational tool for volunteers and staff, teaching best practices.
