## What is Scouting for Food?

The purpose of Scouting for Food is to allow all Scouts and Scouters the opportunity to do a Council-wide Good Turn for the community. Scouting for Food gives each Cub Scout, Scouts BSA, and Explorer/Venturer a sense of community and citizenship.

Every year Scouts from all over the country participate in this project to feed the hungry. Hunger is an unacceptable issue that the Boy Scouts of America has taken on as a challenge to fight. We as leaders must do all we can to pass onto our Scouts an attitude of service in fighting this dreaded problem. In our service area, 1 in 7 people struggle with hunger.

## When is Scouting for Food?

The event takes place on Saturday, November 11, 2023 and Saturday, November 18, 2023. On November 11, you and your fellow Scouts will distribute the Scouting for Food flyers, letting your community know that you will be back on November 18, to collect bags of food that they are willing to donate. Take your donations to your district collection site, your chartered organization's food pantry or any Dare to Care food bank.

## How does it work?

It's simple. Each unit (pack, troop, post, crew) will distribute a Scouting for Food sticky note (sponsored by the Independent Pilot Association) to each residence in their assigned geographic area. Once food is picked up, you deliver it to your local collection site.

Refer to "Land Grab" on page 5 of this guide to select a collection site or take your donations to your charter organization food bank. Once your food is delivered to your site, please report your total food collected using the form linked on the next page.

## For more information please contact:

Scouting for Food Council Advisor, Thomas Geary at 812-620-9586, [Thomas.Geary@scouting.org](mailto:Thomas.Geary@scouting.org)

Scouting for Food Chair, Lisa Landers at (812) 670-8650 or [leezeland@gmail.com](mailto:leezeland@gmail.com)

or contact your District Executive.

## What is expected?

- ✓ Each unit to participate
- ✓ Each unit to provide a unit chair for contact and planning
- ✓ Ask as many youth to participate as possible
- ✓ To break last year's total pounds of food raised
- ✓ To foster a sense of caring and service in our youth
- ✓ To feed the hungry

## How do I get my unit involved?

Your first step is to sign your unit up to participate using the QR code on the next page. After your unit has signed up, a representative from your unit will need to attend the October/ November Roundtable meeting for collection details as well as to select your unit's territory to cover.

# UNIT COORDINATOR RESPONSIBILITIES

Recruit adult help with vehicles for collection day to assist Scouts as they collect food door-to-door.

Attend October/November district roundtable meeting to secure information, flyers, and assignments of collection territory for unit.

Coordinate distribution of flyers by youth members on November 11 to households in assigned territory.

Arrange for collection of filled bags in same assigned territory one week later, November 18 and delivery of filled bags to collection centers.

Send photos and a press release to local district media contacts.

Submit participation report to District Scouting for Food Chair by 2:30 pm on Saturday, November 18 using this link: <https://forms.gle/PBruaw89RKYwLuFa6> or the QR code at the bottom of the page, then log your unit's service project hours on [Good Turn for America website](#).

## UNIT TIMETABLE

### **October:**

- Determine your Unit's SFF Coordinator
- Determine how many people will participate from unit and how many flyers you will need.
- Share information with all.
- Continue to coordinate transportation for delivery and pick-up.
- Determine food drop off location.
- Attend Scouting for Food meeting to register your unit and collect SFF Flyers.
- At Roundtable, "stake out" unit territory at the "Landgrab."

### **November:**

- Coordinate final arrangements at unit meeting with leaders and members.
- **November 11** Distribute flyers in your assigned territory.
- **November 18** Pick-up food in your assigned territory and deliver to your assigned drop off site.
- **Report totals to site coordinator if applicable AND by using QR code below.** Totals may also be texted to 812-670-8650. List Unit #, Qty collected, # scout and adult participants and where your food was dropped off.

# TIPS FOR A SUCCESSFUL SCOUTING FOR FOOD

- All units should know their assigned territory. If you don't, check with your district Scouting for Food Chair or your District Executive.
- Work with other troops/packs in your area to make sure your community is covered.
- When assigning neighborhoods to scouts, take into account the size of your scouts versus the size of your neighborhood. Younger cub scouts tire out fast when there are long driveways and spacious yards.
- All members, both youth and adult, should be in uniform or unit shirts.
- In addition to your uniform wear appropriate clothing for the weather.
- Determine an assembly place and time for November 11 and November 18 (use your regular unit meeting place or another convenient location.)
- Assemble at meeting place early enough to brief adults and distribute flyers.
- Review plans for the day.
- Remind your Scouts **DO NOT ENTER ANY HOMES**. Scouts should be instructed to remain outside of all homes.
- Do not enter yards with animals on the loose.
- Sticky post-it's should be distributed beginning at 9:00 AM on the 11th of November.
- **DO NOT PUT STICKY NOTE FLYERS IN OR ON MAILBOXES! IT IS AGAINST THE LAW!**
- All youth should travel in groups of two (buddy system).
- Vehicles should stay as close to the youth as possible. It is advisable for adults to walk on sidewalks and supervise.
- Work only your assigned territory. On boundary streets, collect only on your side of the street, unless you are given other instructions.
- Skip apartments with no solicitation rules or controlled access. Skip businesses.
- Food must be collected beginning no earlier than 9:00 AM in the same area you distributed flyers. Be sure to send a team back out when you think you are done so you do not miss anyone.
- Have a plan to remind youth and adults about the November 18 food collection.
- Be certain on collection day (Nov. 18) that all houses have been covered. **Have a couple of leaders drive through the neighborhoods once more after scouts have finished to pick up any stray bags of food.** The Council always gets calls that folks forgot to pick up food. Please be sure to go back to your area to pick up bags of food!
- Contact the food pantry at your church or school to deliver the collected food if you are not using one listed.
- Promote your unit's collection day on social media and at your chartered organization.
- Put out a bin in the School(s) your unit draws from, encouraging kids to contribute.
- Have a contest in your unit encouraging scout families to donate as well. For example: The scout with the most food collected gets to give a Pie in the Face to their leader.

## Scouting for Food Landgrabs

Each unit will be asked to cover a designated area on Saturday, November 11, 2023 and Saturday, November 18, 2023. Units will want to cover an area in or near their neighborhoods. To avoid duplication and ensure maximum coverage, a “Landgrab” will be held at October/November Roundtables in each district. If available, a large map of the district will be on display. The map will be divided into neighborhoods or quadrants. A representative of each unit will be able to pick the neighborhood or quadrant the unit would like. After all units have had a chance to pick an area, the district Scouting for Food committee will review and give final approval. There may be a few adjustments made. Units should record territory in detail to ensure all neighborhoods are covered. Contact your district Scouting for Food Chair or your District Executive with questions.

## Food Drop off Sites

Below is a list of recommended drop off sites. Following this list is a complete listing of the Dare to Care facilities in Kentucky and Indiana. If you plan to drop food at one of these additional locations, please reach out to them so they are prepared to accept your donation. For Tennessee and Illinois units, please use the following link to search food banks in your area.

<https://www.feedingamerica.org/find-your-local-foodbank>

As always you can donate to your chartered organization if they have a food pantry, soup kitchen or other outreach to feed your community. Be sure to keep this list for your unit to partner with these organizations for service projects throughout the year!
