30 DAY OUT EDITION

## From the Director

Scout Leaders,  
In 30 days or less, we will kick off Scouts BSA Summer Camp at Camp Crooked Creek. As you make your last-minute preparations, we want to send along some reminders to make your check-in smoother. We want to remind you of the 12-day out meeting, registering Adult Leaders, and much more. See you at camp!

### 12 DAY OUT MEETINGS

All units should have an adult leader attend a Zoom Meeting before their week at camp. The 12-day Out Meeting covers program updates, reminds you of required forms and documentation, and allows you to ask any last-minute questions regarding what you can expect during your camp experience. ### ADULT LEADERS LISTED IN TENTAROO

Take time now to enter the names of your adult leaders into Tentaroo. This information is critical to ensure that two-deep leadership is present for each unit. Remember that to receive a complimentary Camp Crooked Creek Summer Camp T-shirt, the adult leaders' name and size must be included on the unit's Tentaroo roster by May 15, 2023. If entered after that date, they may purchase a t-shirt in the Camp Trading Post for \$12.00.

## Complete Before Camp

### DIETARY NEEDS

Our food service provider, Kandle Industries, strives to ensure all scouts receive nutritious meals at camp. Their in-house dietitian has worked with our council and camp leadership to develop a menu that meets the caloric and health needs of active scouts.

We know that some scouts have special dietary needs, whether due to allergens or food aversions. To accommodate these needs, an online form needs to be completed so that Kandle's Dietitian can work with families to create appropriate meals.

Complete this form [2024 Dietary Form](#) to submit dietary needs to Kandle.

### QUESTIONS ABOUT CAMP?

If you have questions about a Merit Badge class, special equipment needed, or class sizes, please direct those questions to the Camp Director at [campcrookedcreek@gmail.com](mailto:campcrookedcreek@gmail.com).

If you have questions regarding payment, changing a scout's registration, or tax-exempt status, please contact Summer Camp Support at the Council Office, Susie Rausch, at 502-361-2624.

# Merit Badges

## WAITLISTED SESSIONS

Merit Badge class caps have been adjusted to accommodate additional scouts in some sessions. Scouts on a waitlist for merit badges should make selections for a different merit badge at this time. No additional seats can be added to classes at this time.

## ATV PARTICIPATION REQUIREMENTS

We are updating our course participation requirements for the ATV Experience to adhere to the Boy Scouts of America and Polaris ATV Safety Program's requirements.

To participate in the program, the following must be completed and signed by the participant's parent or guardian and submitted to camp before your week's 12-day out Meeting.

- The ATV Safety Institute's (ASI) FREE ATV Safety E-Course. Visit <https://atvsafety.org/atv-ecourse/>. Upon completion, participants should print a certificate and bring it to camp.
- Boy Scout ASI ATV RiderCourse Waiver & Indemnification Agreement <https://lhcbasa.org/wp-content/uploads/ATV-ASI-RiderCourse-Waiver-2017.doc-1.pdf>
- Boy Scout ASI ATV RiderCourse Waiver <https://lhcbasa.org/wp-content/uploads/ATV-Waiverforms-1.pdf> Agreement

Complete all documents and submit them to [atv.campcrookedcreek@gmail.com](mailto:atv.campcrookedcreek@gmail.com) 12 days prior to your first day at camp. Scouts who have not submitted the required paperwork will, unfortunately, be unable to participate in the program.

## SUNDAY ARRIVAL PROCEDURES

We are eagerly awaiting your arrival at Camp Crooked Creek this summer. To ensure we can expediently check in all units, we need all troops attending to follow specific procedures and processes.

1. Please do not arrive before 2:00 pm on your scheduled day of camp. Our staff will be completing any final preparations for your week of camp.
2. Camp Staff will direct vehicles pulling trailers or carrying camp gear to the campsite. Another camp staff member will meet with them for directions on trailer placement. Once unloaded or unhitched, drivers will relocate the vehicle to approved parking areas.
3. Please don't have the leader checking in the unit to drive the gear vehicle/trailer when possible.
4. One adult leader should come to the Administration Building to complete the check-in for your unit. This leader should have with them.
  - a. A complete roster of all youth and adults attending camp
  - b. Annual Health and Medical Forms for EVERY person attending camp. If a scout leader or parent is attending for a partial week, they must provide an updated Medical Form.
  - c. Camp Crooked Creek Code of Conduct form with all scout's and leaders' signatures.
  - d. Waivers for Shooting Sports participation.
5. Scouts and other leaders will meet their Troop Guide in the parking lots to begin the camp tour.
6. Please do not proceed to the campsite without your Troop Guide. Troop Guide will assist you in locating where merit badge sessions are taught and take scouts to the waterfront for swim checks and the Dining Hall for a safety briefing.
