### ENGINEER DAY

NOVEMBER 7, 2020

#### FREE CAMPING, NO FEES FOR THOSE WHO PREREGISTER!

Our camps, Harry S. Frazier Jr. Scout Reservation, Pfeffer Scout Reservation and Tunnel Mill Scout Reservation will host the annual fall service projects on **Saturday, November 7 from 9-4**. Your unit will be able to help your favorite camp prepare for the winter camping season. Scouts will earn service hours while having fun with their friends. Families are welcome to join as well.

Units will be assigned projects based on the ability of the age group and will be provided supplies to complete the project. You will need to bring a pair of gloves, weather appropriate apparel, and a good work ethic! Work projects include: cot repair, trail maintenance, weed eating, platform repair, painting, fixing walkways, picnic table repair, raking leaves, picking up trash and so much more!

Any unit that wishes to camp for the weekend can do so FREE OF CHARGE. If you plan on camping, please contact Susie Rausch at 502-361-2625 or [susie.rausch@scouting.org](mailto:susie.rausch@scouting.org) to reserve a campsite. Any other questions can be directed to Brian Weigel, Properties Manager at (502) 400-5361 or [brian.weigel@scouting.org](mailto:brian.weigel@scouting.org)

Bring a sack lunch, a meal will not be served this year.

We need everyone to preregister so we know how to plan our projects. Go online to Tentaroo and sign up at this link <https://lhforms.tentaroo.com/EngineerDayNov2020>
