It moved that class to the right hand side.

Now it shows the classes for the first session on Saturday (the second day). Pick one of those.

We picked Water Bottle rockets for Saturday. It appears on the right hand side.

So now you pick the 2nd class for Friday.

We picked the 2nd class for Friday.

Notice that for Saturday it goes to Block 3. That is because Water Bottle Rockets spans 2 sessions.

This is what it looks like when you pick all the classes.

Ignore the campership, it's not a class but an administration tool.
