

Scouters, Sign up today for an
AWESOME LEADERSHIP EXPERIENCE
that will leave you inspired!

"I began my Wood Badge journey at a complete stage of scouting burnout. By the second weekend, my scouting passion was more than rekindled. My focus shifted from being a better leader for my child, to all youth—understanding they will be our eventual leaders. It's a transcending experience!"

—Abbey Ottman, Buffalo Trails District

"Wood Badge has inspired me to be a better leader for my scouts and my troop. I gained new leadership skills and was reminded of talents I learned years ago. I haven't been this enthusiastic about scouting in a long time. Take Wood Badge, your scouts are worth it!"

—Sean Weigel, Lewis & Clark District

"I attended Wood Badge late in my scouting career. The experience has enriched and extended my own scouting experience and equipped me to do the same for youth and other scouters. I've since learned of the extra effort the Lincoln Heritage Council Wood Badge faculty puts in to theming, etc. to further interest the mind. I was impressed! This Wood Badge course is a "must do" asap, for a Scouter at any point in your scouting career."

—John Fischer, Lincoln Heritage Council Commissioner
