Buddy System: Everyone will use the Buddy System. Pairs for Safety. Adults/ Leaders should be notified before Scouts leave their campsites. Scouts BSA may not have a buddy of the opposite gender.

Camp Security: All visitors to the camp must stop at the admin building or other communicated location and check-in. Upon conclusion of their visit, guests will sign out so that camp administration will know who is on camp property at all times.

Alcoholic Beverages and Illegal Substances: will not be tolerated and are against BSA policy. Possession or use will result in immediate dismissal from camp.

Smoking and Tobacco: BSA guidelines require a smoke-free, tobacco free, vaping free environment for our Scouts. If you must smoke, vape, or use smokeless tobacco, please do so out of sight of youth participants, youth staff, and not inside any buildings. Please “field dress” your butts and dispose of them properly remembering the ever-present danger of forest fires.

Vehicles: The Health and Safety Committee along with the Camping Committee has established a written policy and procedure of vehicles in camp.

- NO vehicles will be allowed to remain in campsites without pre-approval from camp administration.
- Weather permitting, trailers will be allowed in campsites. However, vehicles used to pull trailers need to be moved back to designated parking lots.
- One person per seatbelt and they must be worn. No riding in truck beds. No RV's, ATV's, golf carts or generators. Only Staff carts are permitted.

Parking: Park in designated parking areas only. Unit leaders need to help enforce this policy.

No Plumbing Available: During winter/cold months, usually mid October through the beginning of April, the water is NOT available throughout camp. Water for drinking and cooking will be available at the Dining Hall or Administration Building. During warmer months the water around latrines is available throughout camp.

Campsites: Do not cut trees. Bring your own Indiana DNR approved firewood, charcoal or collect dead wood from the downed trees. No pit/trench fires, fire rings provided. Never leave a campfire unattended, especially when going to bed. ***All campfires should be extinguished according to BSA guidelines.*** Please make sure before leaving on Sunday that your campsite is completely cleaned up and all campfires are completely extinguished.

Rocks and Sticks: Although tempting, rocks must not be thrown or kicked and sticks may not be swung. Injury/damage to property usually results from this action. Such actions will result in your being asked to leave the campout immediately.

First Aid: There will be a medical officer stationed on camp. All medical treatment or emergencies should be directed to the health officer. Minor first aid treatment can be given in the campsite if first aid items are available.

Camp Emergencies: If there is an emergency, there will be 3 long blasts of the air horn and everyone should rally in the Dining Hall. Once the emergency has passed, campers will be given instructions on where to go next. Campers should remain in the Dining Hall until the "All Clear" signal has been given. Leaders should review these procedures with their campers.

Trash: Your trash must be taken to a dumpster. No trash should remain in campsites overnight; there are skunks and raccoons that will visit your unit if this is not done.
