Check In Procedures

Your Troop will arrive at established check-in time and meet your Troop Guide in the parking lot. **DO NOT GO TO YOUR CAMPSITE WITHOUT AN ASSIGNED TROOP GUIDE.** Your Troop Guide will take you to your Campsite first. One unit leader should report to the Office in the Administration Building. At this time, make any final settlement and turn in any roster changes, pick up pre-ordered merchandise (at Trading Post) and make any adjustments to your merit badge schedules. UNIFORM:

Winter Camp is a laid back and fun event. We do not require the wearing of the Field Uniform shirt (also known as the Class A to some) during camp. Bring your Activity Uniform shirts and show your scouting pride! We love to see all the creative shirts!

*Units are still welcome to require their Scouts to wear the Field Uniform if they so desire.

SMOKING:

Smoking is not permitted on BSA Property per official BSA Policy.

BUILDING DAMAGE:

Everyone at camp is expected to be courteous with all camp structures. Accordingly, writing on walls, carving on wood, kicking of walls, etc., will not be tolerated. A fee chart for damages will be made available at the check in. Scouts or adults responsible will be charged for the damages.

MEDICAL:

Medical Forms should be turned in to the Health Officer when you arrive at Winter Camp. All precautions for the safety of Scouts will be taken. We will have a qualified health officer on duty 24 hours a day. The camp is equipped with an infirmary and adequate facilities for first aid. In addition, we have an arrangement with a nearby hospital for severe emergencies. Leaders must coordinate with the Health Officer if they would like to store prescription drugs in the health lodge. Let the health officer know of any special health needs of adults or Scouts. Prescription medications may be stored in the health lodge. If you keep prescription medication in your campsite, it must be locked away. This means that you will need a lockable container and keep your own log. Please bring your unit first aid kit. Be prepared to perform basic first aid in your campsite, and be prepared to contact the health officer if necessary. If there is a need to visit the Health Officer, according to Youth Protection, Scouts should bring a buddy.
