### ***Mission statement of the Lincoln Heritage Council***

The Lincoln Heritage Council will deliver innovative and life-changing programs that will prepare our council's youth to become responsible citizens and leaders guided by the Scout oath and law.

#### *Scout Oath*

On my honor, I will do my best to do my duty to God and my country and to obey the **Scout** Law, to help other people at all times, to keep myself physically strong, mentally awake, and morally straight.

#### *Scout Law*

“A Scout is Trustworthy, Loyal, Helpful, Friendly, Courteous, Kind, Obedient, Cheerful, Thrifty, Brave, Clean, and Reverent.”

### ***The Value of Summer Camp***

Research has concluded that within the typical six days of Scout BSA summer camp, Scouts are in an environment that comprehensively provides them with critical elements of healthy youth development. Camps are removed from the hustle and bustle world of mass information, media, and technology. This “protected environment” provides a significant opportunity for young people to grow. Time seems to have a different meaning when the day is not filled with television, radio, video games, the internet, etc.

Spending a week at a summer camp with friends from the Troop is one of the greatest highlights of a Scout's year, making memories that will last a lifetime. Camp programs offer fantastic opportunities for Scouts to bond with the other Troop members, building lifelong friendships while meeting new people and making new friends. Scouts will be able to develop new skills while working on rank advancements such as Tenderfoot, Second Class, and First Class, as well as numerous merit badges such as Swimming, First Aid, Camping, Leatherwork, Rifle Shooting, Citizenship in the Nation, Nature and nearly 40 more.

Scouts learn leadership skills to build trust, self-esteem, and self-confidence in unimaginable ways. Studies have shown that youth who attend camp advance quicker and stay in the program much longer than those who don't attend camp. Parents of Scouts who attend camp state that the camp experience resulted in a positive change in their Scout and that 96% surveyed would recommend camp to others. A Scout quickly realizes they can do things independently, make their own decisions, and become stronger.

Since our camps opened, we have provided innovative, inspiring, and engaging programs for youth ages 11-17. At camp, we use merit badge sessions and camp-wide activities to instill core values and life lessons, which will help our Scouts to become responsible citizens and leaders.

Most of all, summer camp is as action-packed or as relaxed as a Scout might want it to be, but more important than anything, it's FUN!

### ***The Camps of the Lincoln Heritage Council***

The Lincoln Heritage Council of the Boy Scouts of America covers 64 counties in Kentucky, Indiana, Illinois, and Tennessee. It serves thousands of youth and adult leaders in Cub Scout Packs, Scout BSA Troops, and Venture Crews. The Council owns and operates three camp properties, two of which are for Scout BSA summer camp.

Each is accredited annually by the National Council of the Boy Scouts of America, and its stringent standards focus on safe facilities and quality programs.

### Harry S. Frazier Jr. Scout Reservation

#### ***Camp Crooked Creek***

Camp Crooked Creek is located near Clermont, Kentucky, in Bullitt County, just 35 minutes from Louisville. The camp is part of the 1,050-acre Harry S. Frazier Jr. Scout Reservation built in 1988, offering 5 weeks of traditional Scouting programs with more than 80 staff members teaching 50+ merit badges and programs. An average of 350 Scouts and 80 leaders attend camp each week. The camp has a 60-acre manmade, private lake for aquatic activities such as canoeing, kayaking, rowing, small boat sailing, and motor boating. A newly built swimming pool allows for swimming and lifesaving instruction, and new Adirondacks for camping are part of the \$2 million improvements. The Ecology Lodge and STEM Center allows Scouts to work on nature-related merit badges like mammal study, environmental science, and fish and wildlife management while making science and technology-based badges available, such as robotics, space exploration, and game design.

The Scoutcraft area helps Scouts develop critical outdoor skills such as camping, pioneering, orienteering, and wilderness survival. Handicraft lets Scouts use their hands to do leatherwork, woodworking, and basketry projects. Shooting Sports has rifle shooting, shotgun trap shooting, and archery programs. The Dan Boone program is designed specifically for first-year campers who need to learn the basic Scout skills to help prepare them for Troop activities throughout the year.

Other specialty programs for more experienced, older Scouts include the high and low ropes course of COPE, Challenging Outdoor Personal Experience, where groups of Scouts build a team that works together to accomplish goals and meet new challenges they never thought they could complete before. The Tower is a fun program that allows Scouts to climb the 30' structure and learn to rappel. An ATV, All-Terrain Vehicle program teaches Scouts to safely operate and maintain an ATV while respecting and protecting the environment. Some older Scouts accept the challenge of becoming a Counselor in Training (CIT), a program that trains them to become a staff member for the camp and teach other Scouts new skills, a very demanding but rewarding job.

### Pfeffer Scout Reservation

#### ***Camp Roy C. Manchester***

Camp Roy C. Manchester is located near Benton, Kentucky, on the shores of magnificent Kentucky Lake and is part of the 400-acre Pfeffer Scout Reservation. Operating for 4 weeks throughout the summer with 50 staff members, this camp has a tradition of serving Scouts from all over the region for over 65 years and has recently experienced \$3.5 million in improvements. New facilities have been built throughout the camp, including a dining hall, trading post, shower facilities with flush toilets and private shower stalls, training room, administration office, aquatics center, shooting sports complex, and nature STEM center. A typical Scouts BSA program at Camp Manchester includes handicrafts, Scoutcraft, shooting sports, ecology and STEM, personal development, and the Eaglebound program designed for first-year campers to focus on developing their basic Scout skills. One of the best parts of this camp is the lake and the aquatics programs. The waterfront beach allows access to swimming and lifesaving instruction. Boating activities include canoeing, kayaking, rowing, motor boating, and small boat sailing, which leads to medium boat sailing and eventually sailing on large 25' boats with crews of 3-4 Scouts. Water sports include water skiing and personal watercraft (jet ski) instruction for older Scouts. Opportunities for fishing are abundant.

### ***AquaBase Adventure Camp***

Adventure is the key component of this camp, designed to offer older Scouts an experience beyond the traditional summer camp program. Typically, Scouts who have attended camp 2 or more years are looking for something different and more challenging than merit badges, and AquaBase has the programs to meet this need. Sharing space with Camp Roy C. Manchester on the Pfeffer Scout Reservation, AquaBase operates its unique programs. The highlight of AquaBase is the High Adventure Sailing program, where groups of 3-4 Scouts, ages 14-17, are placed in charge of their own 25' sailboat and are responsible for working together as a team to maneuver the boat throughout Kentucky Lake for the week. A flotilla of 8 sailboats, including a support boat carrying supplies, departs Monday morning after an orientation, cruising the lake for the week, anchoring each night in different bays. Scouts learn great teamwork while developing decision-making and leadership skills managing their boats from port to port. Trained leaders help guide the Scouts, who must be at least 14 years old and have a minimum of the small boat sailing merit badge or some sailing experience. This sailing trip is an adventure that won't be soon forgotten.

There are other programs offered at AquaBase, including a small boat sailing school which will help prepare Scouts for the High Adventure Sailing program, a watersports program that allows Scouts to spend an entire week motor boating, water skiing, and jet skiing on the water, and BSA Lifeguard, where completing this training will certify them to be a BSA Lifeguard after one week.

## **Important Information about Camp and FAQs**

The decision to send your Scout to camp is important and invests in your Scout's future development. When attending camp for the first time, there are many simple questions parents have that get overlooked. We hope the following FAQs will answer these questions and help families decide about attending summer camp.

### **When is camp, and how long does it last?**

Troops reserve a week of camp, checking in on a Sunday afternoon and typically leaving the following Saturday morning. Below is the schedule for 2023.

#### **2021 Camp Dates**

|                 |   |
|-----------------|---|
| June 9-15       | Camp Crooked Creek, Pfeffer Scout Reservation, and AquaBase |
| June 16-22      | Camp Crooked Creek, Pfeffer Scout Reservation, and AquaBase |
| June 23- 29     | Camp Crooked Creek, Pfeffer Scout Reservation, and AquaBase |
| June 30- July 6 | Camp Crooked Creek and AquaBase                             |
| July 7-13       | Camp Crooked Creek and AquaBase                             |
| July 14-22      | AquaBase  |

### **How does my Scout get registered for camp?**

The Troop will make a reservation for a particular camp, week, and campsite for everyone. Scouts then work with their leaders to register for camp and pay fees. Scouts can attend camp even if their Troop does not. See "What is a Provisional Scout Camper" later in this guide.

### **Who provides the leadership for the camp? Do parents need to go?**

The troop leaders will provide the two deep leaders needed for the troop to attend camp. Parents are not required to attend camp with their Scout; however, the Troop may need additional supervision and may request this help. If Troops have difficulty finding enough leaders to attend camp, the

Camp Director can match the Troop with another Troop attending camp simultaneously so they can share leaders.

**How much does camp cost, when are fees due and what is the discount fee?**

The camp fee is \$425, including 17 meals, a camp T-shirt, all program materials, equipment, staff, and facility usage. The cost for Out of Council is \$425. Scouts will pay a deposit of \$100 by **March 3, 2024**. The final \$325 will be **due by May 10, 2024**. All fees are paid to the Troop, which submits the payments.

**Are there fundraising opportunities?**

Many Troops will help Scouts earn their camp fees by participating in the council's annual popcorn sale in the fall or the camp card sale in the spring. Some Troops coordinate additional fundraisers such as car washes, pancake breakfasts, and bake sales. Ask your unit leader for more information on what fundraising opportunities they offer.

**What is a campership? How do we apply?**

Camperships are available for families needing assistance paying the camp fee. They are awarded based on the family's financial needs. Applications can be retrieved from the Council website at <http://www.lhcbasa.org> under the camping section and should be submitted directly to the Council Office by March 6 if possible. A limited amount of funds are available. Applications can be submitted after March 6; however, funding may be more limited.

**Can we get a refund if we pay the fees and our Scout can't attend camp?**

Due to advanced planning and purchasing needs, Scouts who pay their camp fees but do not attend camp will only qualify for a refund if they are medically disqualified, must attend summer school, or have a family situation. A \$75 fee will be withheld on all fees. However, fees can be transferred to other Scouts within the Troop.

**How does my Scout select the programs they will take at camp?**

The Troop can sign up Scouts for programs once the deposits have been made on March 6. Scouts can visit the Council website for the specific camps in February to see the available programs by camp and should visit with their Scout leaders for guidance. The Troop will then enter the requests in the online Tentaroo registration system through their specific Troop account. Scouts do not enter their selections individually.

**What will my Scout do at camp?**

Scouts can work on rank requirements or merit badges depending on their needs and interests; the Troop leaders can help them determine the best path. The program is divided into six sessions, Monday through Friday, and a Scout can choose a program for each session if they want.

**What are the first-year camper programs Dan Boone and Eaglebound about?**

The first-year camper program is designed to help young Scouts attending camp for the first time feel more comfortable and gain some basic Scout skills. This program concentrates on some requirements for the ranks of Tenderfoot, Second Class, and First Class. Younger Scouts are grouped in patrols with other first-year campers and learn to work together as a team. The program is Dan Boone at Camp Crooked Creek and Eaglebound at Camp Manchester. Activities will include knot tying, first aid, fire building, knife and axe training, and citizenship development, among other things.

### **Where will my Scout stay while at camp?**

At Camp Crooked Creek, the Scouts stay in 2-person tents built atop unique platforms, each including folding cots. Some campsites have 8-person Adirondacks with built-in bunks instead of tents. At Camp Manchester, the Troops will bring their own tents and cots from home. Some campsites have cabins with cots. Be sure to visit with your leaders regarding lodging.

### **What will my Scout eat at camp?**

All meals are provided in the air-conditioned dining halls at the camps. A chef and dietician approve the menu, designed to meet active Scouts' nutritional needs during the hot summer months while trying to include popular items. Breakfast includes cereal and a yogurt bar; every lunch and dinner consists of a salad bar. A sample menu is included at the back of this guide.

### **My Scout has a food allergy. How are these handled?**

Our experience is that every case of a food allergy is different. Our food service provider works with families one-on-one so that we can best meet the needs of that Scout. Once notified of a food allergy or concern, KANDLE will work out a meal plan that will be safe for all Scouts. The link to notify Kandle is found at [www.LHCBSA.org/scoutsbsasummercamp/](http://www.LHCBSA.org/scoutsbsasummercamp/)

### **What is the BSA Health Form, A, B, & C? Is there a camp nurse?**

The official Scout health form is a three-part form, A, B, and C, that requires background information about the participant and a doctor's signature stating that a physical has been conducted. This form must be completed annually. The form can be found on the website ([www.lhcbasa.org](http://www.lhcbasa.org)) under camping. The camp has a medical office and provides a health officer who helps manage the first aid and medical needs of the campers.

### **What about insurance?**

Each Lincoln Heritage Council Troop that attends camp has a policy provided by the Council, which serves as secondary insurance to the Scout's family policy or primary insurance if no other exists. Troops from out of the Council must also provide proof of insurance.

### **What will my Scout need to bring to camp?**

A week's worth of clothes and toiletries will be needed, but keep in mind that space is limited. Everything should fit in a backpack or foot locker. A sleeping bag or blankets, as well as towels, will also be needed. A detailed list of suggested items, including things that should not be brought to camp, can be found later in this guide.

### **Why does my Scout need money, and how much should they bring?**

The camp fee includes all the food and program materials a Scout will need. However, a camp store, commonly known as the Trading Post, has snacks, drinks, ice cream, camp gear, and souvenirs your Scout will want to purchase. Most Scouts spend between \$40-\$50.

### **Can we visit our Scout at camp?**

The camp is always open for parents to come and visit their Scouts. Visitors are asked to check in at the Camp Office first and should notify the Troop leaders in advance. Also, Friday night is Family Night, and everyone is invited to come to camp, visit with the Scouts, enjoy dinner (either brought in or purchased at camp), and stay for the closing campfire.

**Can we send mail or “care packages” to camp?**

Scouts can receive mail and packages during camp, but they should be sent the Friday before the Scout leaves to ensure they arrive during the camp week. Priority mail or next-day shipping is suggested for packages that could be shipped during the week. Addresses and instructions for addressing your package can be found in the appendix of this guide.

**What happens when camp is over?**

The Troop will enter the online Tentaroo merit badge system to determine what requirements the Scouts completed at camp and what they may still need to finish. Within a few weeks after camp, most Troops plan a Court of Honor to present the awards to the Scouts. These are filled out by the individual camp instructors based on what each Scout accomplished that week and may be different for each Scout.

**What is a Provisional camper?**

A Provisional camper is a Scout who attends camp as an individual without their home Troop. This could be because they want to attend an additional week, because they couldn't attend during the week the Troop attended, or possibly because the unit did not attend camp. Once the Scout has selected the dates they would like to attend, the camp chooses a Troop that is attending during that week and assigns the Scout to that unit, and their leaders serve as the temporary leaders for the Scout. Completed merit badge information is forwarded to the home Troop after camp ends. A special application for Provisional Scouts can be found online at [www.lhcbasa.org](http://www.lhcbasa.org).

**Why can't my Scout bring a cell phone?**

Cell phones are not needed during camp. Scouts are outdoors, enjoying being disconnected from screens. Should an emergency arise where the camp needs to call you or you need to contact the camp, we have landlines available.

**What if my Scout gets homesick? Who will take care of them?**

Being away from home can be challenging for first-time or even more experienced campers. Homesickness is common at overnight camps. Our policy on homesickness is that camp staff will work individually with Scouts to work through their homesickness. Camp Staff will call home if the homesickness is severe and they need additional support. We rarely have campers call home or talk to their parents on the phone because it typically worsens homesickness.

Each camper's homesickness is unique. The Camp staff are trained to help each Scout plan for a successful and fun week.

If it appears that the Scout needs to adjust to their time at camp, the Camp Director may determine to have the camper sent home after discussions with the parent and the Scoutmaster. Please know that if a camper is sent home due to homesickness, refunds will be at the discretion of the camp administrative team.

## **Appendix**

- Suggested packing list for camp
- Sample list of merit badges
- Sample menu
- Address for camps and how to address packages
- Buy a party for your Troop!

More information about the camp, including promotional videos, can all be found here: <https://lhcbasa.org/scoutsbsasummercamp/>

### **Suggested Packing List for Camp**

#### Complete Scouts BSA Uniform

- (6) T-Shirts
- (6) Shorts or pants
- (8) Pairs of socks (socks & shoes should always be worn)
- (6) Pairs of underwear
- Shoes, at least 2 pairs in case one gets wet. (No open-toed shoes.)
- Light jacket or sweatshirt
- Hat
- Swimming trunks (boys) or a one-piece bathing suit (girls)
- Rain gear (poncho or rain suit)
- Medical form (mandatory) \*Parts A-C\*, given to Scoutmaster prior to camp
- Blanket or sleeping bag, and pillow, A sleeping pad for Adirondack campsites
- Duffel bag or footlocker w/lock
- Toiletries, soap, shampoo, toothbrush, toothpaste, deodorant, body powder
- Camera (Disposable)
- Money for the trading post (\$50.00 suggested)
- Flashlight with extra batteries
- Pocket Knife (with Totin' Chip)
- Sunscreen and insect repellent
- Water bottle/canteen/cup
- Notebooks for writing
- Pen/Pencils
- Merit badge books (suggested, not required)
- 3 Towels (one for the pool and two for the shower)
- Shower shoes
- Medications in an original, labeled bottle
- Day Pack (for daily needs)

#### What NOT to bring to camp

- Pets
- Firearms or weapons
- Fireworks
- Video games
- Radios
- Bicycles
- Items of value
- Extra food (raccoons and skunks love it)
- Illegal drugs or alcohol
- Cell phone
