

## **Camp Crooked Creek Staff**

### **“MyScouting” & Youth Protection/Weather Hazard Training**

Before you can be hired on the Summer Camp Staff you must complete Youth Protection training and Weather Hazard training. We ask that you take this training before interviews and mail it in with your application.

Follow these steps to set up a “MyScouting” account. These instructions are based on you being new to Camp Staff.

- Go to [www.myscouting.org](http://www.myscouting.org)
- Click on “Create an account”
- Enter a User Name and Check User Name Availability
- If your User Name is available then click next
- Click on “I am new and don’t know my member ID
- Click Next
- Enter your information that is required and then click Create User
- Enter security questions
- Check your email account to complete account activation
- When you check your email then click on the link
- This will put you back into Myscouting.
- Create a New Password and then confirm it
- Once your password is accepted login to MyScouting.org
- Follow the instructions to take the Youth Protection Training and Weather Hazard
- Take the Course and print out your completion certificate

It is also strongly recommended that you take:

- This is Scouting

If you need any assistance, do not hesitate to contact the BSA office by calling 502-400-5762 and asking for Program Support Specialist, Johnathon Boles.
