Selecting a date will bring up a list of Storefront Reservations available, including the address, start time, and end time for the reservation. For dates with multiple reservations available, filter for specific stores or look up stores using the "Search" box.

4

You will claim the shift by clicking on the blue “Reserve” button. Due to the high volume of reservation requests, it may take several minutes to confirm your Reservation. Once confirmed, you will receive an email and the Reservation will be added to the “Storefront Management” screen.

5

Reservations may be rejected if the current rules prohibit you from securing that store (Example: It’s outside of your district) OR if another Unit claimed the Reservation prior to you clicking the reserve button.

- The “Upcoming Available” is the number of Storefront Reservations your unit will have at an upcoming date.
- The “Next Available Date” is when your unit will be able to claim a certain amount of shifts.

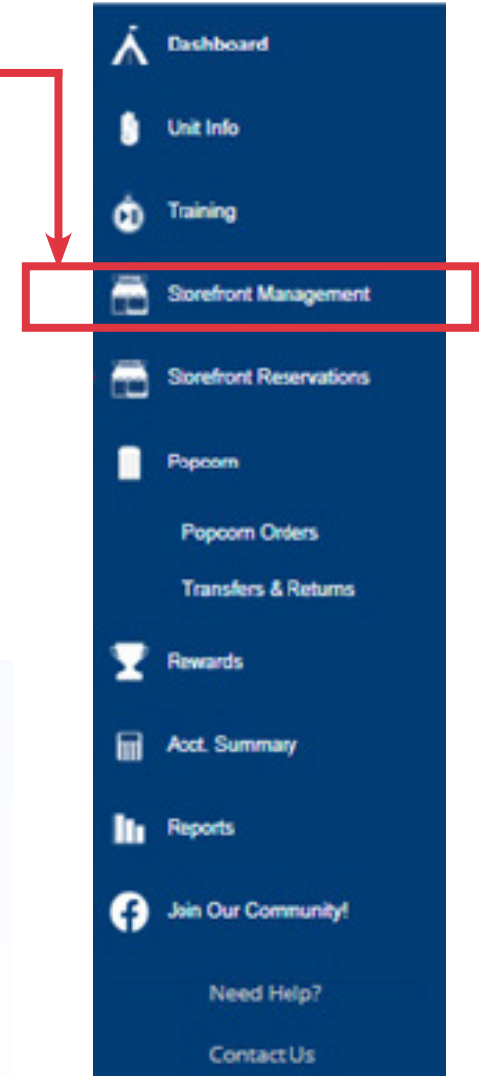

7

To see your reserved storefronts, you'll move to the "Storefront Management" tab on the left side menu.

8

Your Storefront Reservations will then be managed the same as any sites you set up on your own. You can manage shifts, add Scouts, assign inventory and cash, and record sales.

New in 2022 You can view the TE Storefront Agreement, which provides specific information about the Storefront Reservation & other forms from store management for stores in the "Agreements" section. You may download and/or copy the URL file to share with your Unit if desired. Scouts may also view agreements for shifts they have registered for from "My Storefront Shifts," then clicking the carrot to view "Agreements."
