Course Catalog

The success of Scouting in the Lincoln Heritage Council has for over 100 years depended entirely on the quality and strength of the volunteers that deliver meaningful weekly programs to its thousands of Scouts. The ability of volunteers to deliver that weekly program is strengthened by the quality of their training.

The University of Scouting is a one-day training event that offers a wide spectrum of workshops that will strengthen each volunteer's ability to deliver better Scouting programs for our youth. Courses are designed for all levels of scouting involvement: Cub Scouts, Boy Scouts, Venturing, Commissioner, and District Committee.

Types of Courses Offered

Supplemental Courses / Electives: These courses go above and beyond what the BSA Basic Training courses cover. These courses focus on a single topic and typically last one session only.

When selecting courses to fill your schedule, you should choose enough courses to fill all six sessions. To assist you in making selections, utilize the Time Block Indicator shown in each course description. Each block represents one of six sessions. The shaded areas show you which sessions that course will fill.

Midway: Either before or after your lunch, you will be encouraged to visit the midway. The midway is filled with booths that will distribute information about Scouting events throughout the year. Additionally, regional businesses will be on hand to talk about opportunities to help you make your units' Scouting year full of excitement.
