**Patches:** To make the uniform complete, you have to have patches! The patches we ask you to sew on to make your uniform complete are as follows: the Lincoln Heritage Council strip, World Brotherhood Emblem, large square green and white BSA VENTURING patch, and Silver Epulette Tabs (This signifies you serve at the district or council levels. It's a volunteer and employee designation.) We have no restrictions on which other patches you wear as long as it follows the current BSA Insignia Guide (which can be found online.) *In other words, many youth will want to wear the badge of rank and adults will wear their knots and wood badge beads. We encourage you to show off your accomplishments. If you are a member of the Order of the Arrow, we ask you bring your sash for OA Day and wear your OA Flap.*
