HOW IT WORKS

Kickin’ Quarantine is our way of providing a classic Scouting camp-out experience for you, your family, and Scouting units safely this summer. Families & units will be allowed to camp together at a safe distance from other families at Camp Crooked Creek, Tunnel Mill Scout Reservation, or Pfeffer Scout Reservation. Stay overnight or visit camp just for the day.

This camp will be self-reliant in style, meaning bring your own tent, camping gear, food, etc. similar to camping at a state park. Tent camping and Adirondack camping are available.

There are also single day experiences without staying overnight, our Day Pass.

There should be minimal to no interaction with other families and units during your stay, keeping you as safe as possible.

Please note that no camp stay can be longer than 72 hours.

WHAT’S INCLUDED

You bring the family and supplies; we’ll provide the fun:

- Camping space (one family/unit per site)
- Picnic table (at campsites)
- Latrine and water source designated for only your family/unit (for overnight guests)
- Shower facilities (for overnight guests)
- Activity guide
- Contactless check-in/check-out
- See page 6 for a packing list
