

Boy Scouts of America – Lincoln Heritage Council

ECSI – Emergency Care and Safety Institute

Wilderness and Remote First Aid Course:

Designed for scouts and scout leaders, outdoor enthusiasts and anyone who works or spends time in remote environments, this course teaches advanced skills to be used in emergencies when help from professional first responders may be far away. Based on the Boy Scouts of America Wilderness First Aid Curriculum and Doctrine Guidelines, this course aligns with OSHA's Best Practices for Workplace First Aid Training Programs.

Prerequisites:

Must be at least 14 years old and hold current adult CPR/AED certification (*class available below*) from one of the following programs: American Red Cross, Canadian Red Cross, Medic First Aid, American Heart Association, National Safety Council, American Safety and Health Institute or Emergency Care and Safety Institute.

Topics include:

Action at an Emergency	Bleeding	Head Brain and Spinal
Checking an Injured or Ill Person	Wound Care	Injuries
Shock	Bandaging Wounds	Splinting
	Chest Injuries	and more
