# 2020 “VIRTUAL” WINTER CAMP

## PARENT GUIDE

Lincoln Heritage Council, Boy Scouts of America  
Winter Camp 2020

Welcome to virtual winter camp! We are excited to offer this unique, exciting program for our Scouts and their families. This guide is created to help you and your Scouts. If you have additional questions that are not answered in this guide, please email Sarah Flowers at [sarah.flowers@Scouting.org](mailto:sarah.flowers@Scouting.org).

**Q: So how does this work?**

*A: Families/Scouts will sign up to participate by signing up on Tentaroo. If you do not already have an account, you will need to sign up for one. Once you have registered, you will select your merit badges. You can work with your Scout master to use your troop's account.*

*Click here for a step-by-step guide to set up an account:*

**Q: What is being offered?**

*A: Over 20 merit badges will be offered. You can select which badges you want to take when you register. Scouts will be able to take up to 5 merit badges per week. Each merit badge instruction and course materials will be distributed through a digital platform (Google Classroom). For some merit badges, limited additional supplies or resources may be necessary or recommended.*

**Q: How do I know what merit badges to sign my Scout up for this winter?**

*A: We recommend you work with your Scoutmaster to help your Scout pick merit badges. Before you register, be sure to check the ZOOM schedule so that you do not have any sessions that overlap.*

**Q: What does the daily schedule look like?**

*A: The daily schedule is listed below. However, just like traditional summer camp, a Scout can choose what they want to participate in. A Scout will be able to take up to 5 merit badges. Each merit badge will take approximately one hour per day.*

**Q: Will there be opportunities for both new Scouts and older Scouts?**

*A: Yes! We have a strong variety of badges that are targeted for newer Scouts and for older Scouts.*

**Q: Will this be all online?**

*A: Although there are no in-person sessions, merit badges will be a combination of online, in your backyard and in your neighborhood. You may need to go on a hike or visit a pond. All merit badges are facilitated on a dedicated online platform in small groups by our Camp Crooked Creek and Pfeffer Scout Reservation Camp Staff. We understand that Scouts and families have been working diligently on Non-Traditional Instruction (NTI) for school over the last several weeks. We will be keeping that in mind with the development of this program. The dedicated online platforms we will be using are Google Classroom and Zoom.*

**Q: Is there a capacity?**

*A: Yes, there is a capacity for each merit badge. However, each small group merit badge session or activity will be facilitated in a small group format (maximum of 20 Scouts per session).*

**Q: Who is leading and facilitating this program?**

*A: A smaller group of Camp Crooked Creek and Pfeffer Scout Reservation Camp Staff will be facilitating this program.*

**Q: How will Youth Protection standards be followed?**

*A. All youth protection policies still apply in an online environment. If your Scout needs any extra help, they are welcome to reach out to their instructor. We ask that parents assist the staff in ensuring adequate supervision for 2-deep leadership. For the digital safety and online Scouting activities, visit <https://www.scouting.org/health-and-safety/safety-moments/digital-safety-and-online-scouting-activities/>*

**Q: How do I get a hold of a counselor if we have questions or an issue?**

*A. An email account has been set up for Scouts to communicate with their merit badge instructors. The Camp Crooked Creek and Pfeffer Scout Reservation Camp Staff and Lincoln Heritage Council staff all have access to monitor the communication. Please ensure your Scout includes the merit badge in the subject line and copies their parent/guardian to meet youth protection standards. The email is: [BSAscouts2020@gmail.com](mailto:BSAscouts2020@gmail.com)*

*If you have any comments or concerns to share about any specific instructor, please share that with Director of Camping Services Sarah Flowers at [sarah.flowers@scouting.org](mailto:sarah.flowers@scouting.org) or 502-400-5362 so we can follow up and address any issues (if needed).*
