

## Welcome to Camp 2020

We look forward to hosting your family or unit at the camp and want to help make your outing a great experience. By following these simple guidelines, your visit will more enjoyable. Thank you for choosing our camp facilities.

### **Guidelines and procedures for a quality camp experience:**

Your safety and the safety of all our members, volunteers, and employees is the Lincoln Heritage Council's top priority. Considering COVID-19, we are taking additional precautions at camp on top of our long-established health and safety measures.

First, our council is coordinating with state and local health departments as well as our Health Advisory committee to ensure we are aware of and follow their guidance to mitigate the risk of COVID-19 at camp.

Our mitigation plan includes:

- Health screening conducted by your unit prior to travel to our camp, including a temperature check.
- Hygiene reminders throughout camp experience.
- Handwashing /sanitizer stations throughout camp.
- Camp staff to clean and disinfect high-touch surfaces and shared program equipment.
- An emergency response plan that includes isolation and quarantine protocol should a person at camp develop symptoms of COVID-19 or other communicable disease.
- Mask will be required for all youth, adults participants (no exception to this, CDC states that gators/buffs and mask with vents are not as effective to stopping the spread of Covid 19)If any person does not comply with this, you will be asked to leave and no refund will be issued).

These precautions are important, but they do not remove the potential for exposure to COVID-19 or any other illness while at camp. Some people with COVID-19 show no signs or symptoms of illness but can still spread the virus, and people may be contagious before their symptoms occur. These factors mean that an infected person may pass the required health screenings and be allowed into camp.

## Let's stay healthy

- STAY HOME IF FEELING SICK or if you or any member of your group has been sick in the past 24 hours, this includes prolonged headache, congestion, etc.
- High risk participants should consider staying home.
- If mixed groups are traveling in vehicles together everyone should wear a mask.
- Groups or families should plan to stay together once on camp, no intermingling with other groups during your visit. This includes conducting campfires, hikes, games etc.
- If and when possible, physical distancing should be practiced. At least 6 feet apart.
- Masks are required.
- Frequent hand washing should be conducted when possible.
- Cleaning materials will be available in shower rooms for disinfecting and cleaning after each use.
- One group or family per campsite.
- Shower/bathrooms will be assigned per campsite in the closest shower house to the respective campsite.

## Check-in and check-out

Check-in can begin as early as 3 pm on the day the reservations begin, earlier times can be arranged if necessary. The camp office is located in the administration building in the main camp, a ranger or camp master will be there to sign the group in. A map of the camp and directions to the site will be provided.

Checkout arrangements will be made during the check-in process. Checkout time is 10:00am. Please dispose of all trash in the dumpsters.

## Important Reminders

- No alcohol, drugs or fireworks allowed.
- No firearms.
- State fishing laws apply.
- Parking will be in designated spots.
- Wildlife is abundant so be alert and maintain food in the campsites carefully.
- Bring bug repellent for ticks and other insects.
- Water is available but NO electricity.
