

YOUTH PROTECTION TRAINING

In person!

All registered adult leaders need to complete Youth Protection Training. The course is available online, but for those who prefer in-person instruction, Seneca District is offering a chance to complete the training the old fashioned way!

Youth Protection Training will be offered at the Swope Scout Center on November 30, 2022, from 7:00 – 8:30 pm. No need to pre-register. Scout leaders from every district in the Lincoln Heritage Council are welcome.
